

PARENT OUTREACH

FREE confidential support services for parents and caregivers in Langley and Aldergrove

-Parents/Caregivers access parent outreach workers when they are concerned about their child's behavior, feeling overwhelmed, and/or worried about parent-child conflicts.

-We collaborate with families of children up to the age of 14 and provide support through parent education, learning resources and community resources.

-To register, complete the online intake form at lcss.ca or scan QR code below to be directed to intake form.

-For questions about the program please contact Megan Zurak
